2. APPLICABILITY. Headquarters, 3d COSCOM, and all subordinate units.

3. POLICY.

a. The authority to impose nonjudicial punishment under Article 15, UCMJ, on senior noncommissioned officers (Sergeant First Class through Command Sergeant Major) under my command is withheld from subordinate commanders for allegations involving alcohol in violation of CENTCOM General Order Number 1A, including any amendment thereto. The authority to initiate administrative memorandum of reprimand or admonishment under Army Regulation 600-37 for violations of CENTCOM General Order 1A involving alcohol by senior noncommissioned officers is withheld from subordinate commanders and supervisors. The preferral of courts-martial charges or initiation of other adverse administrative action against a senior noncommissioned officer, after notifying my headquarters and coordinating with my servicing judge advocate, remains the unit commander's responsibility. These policies should not be construed to direct a particular disposition of any case. Commanders will continue to exercise their independent judgment in every case.
